Petals

Artist: Paula Holoman

Peonies are pink,
they're beautiful, it's true.

This Painted Pony,
was created just for you.

She is kind and loving,
and pretty as can be.

Her name is, Petals,
and she loves to run free...

Rodeo Romeo

Artists: Karlynn Keyes and Valor Lee

He's fast as the wind and black as night,
you can try to resist him with all of your
might.

He can spin on a dime and fly through the air,
he'll steal your heart with rodeo flair.

Look in his eyes and you just can't say no,
'cause this little guy is *Rodeo Romeo!*

Empress of the Winds

Artist: Stefanie Schaezchen

They say that the winds are like a woman,
always changing...

There are the Winds of Time which span
history and the Winds of Change, which mark
transformations.

Then there are the Winds of Dawn, which
signal renewal.

All of these, from *The Empress of the Winds.*

THE TRAIL OF
PAINTED PONIES

Trailblazer

Artist: Amber Stirling

Legend tells of spotted horses that blazed trails throughout the American West. They were the constant companions of the Nez Perce, expert hunters and trackers who traveled with the seasons. Their journeys are reflected in the distinctive blanket pattern of their beloved Appaloosas. Together, they rode into history as brave *Trailblazers*.
