We are one of the premier fine art and collectible companies in the world, crafting one of the most treasured collectibles in America. Friends and families gather to celebrate holidays, birthdays, weddings, the passage of time and the changing of the seasons, with The Trail of Painted Ponies.

White Beauty

These miniature works of art are created by exceptional artists and they are all carefully hand-painted. Each Trail of Painted Ponies figurine comes with a collectible Story Card in a beautiful, burgundy box.

Prized by collectors who appreciate artistry and fine craftsmanship, The Trail of Painted Ponies pays tribute to the beauty and majesty of the horse and the time honored tradition of storytelling.

For every moment and milestone in life, there is a beautiful Painted Pony to share the day and lead the way. The Trail of Painted Ponies weave art and storytelling together into a breathtaking tapestry that reflect the richness of our heritage and the times of our lives.

We invite you to make every day a special occasion with The Trail of Painted Ponies.

And remember...life is a journey...enjoy the ride!
