

Unity and Variety

The artworks on these pages are alike, but they are different too. Name one way they are the same. What is one way they are different?

Elizabeth Lewis Scott. *Kitty Cat's Ball*, 2002. Acrylic paint on resin form, 12 by 15 by 4½ inches. Trail of Painted Ponies, Scottsdale, AZ.

Joel Nakamura. *Thunderbird Suite*, 2001. Acrylic paint on resin form, 5 by 7 by 2½ feet. Trail of Painted Ponies, Scottsdale, AZ.

Bill Robbit. *Earth, Wind, and Fire*, 2003. Acrylic paint on resin form, 7 by 9 by 2½ feet. Trail of Painted Ponies, Scottsdale, AZ.

An artwork has **unity** when all the parts seem to go together.

Each horse shows unity. All of the parts work together to make a whole.

Look at all the lines, shapes, and colors. They show **variety**. They have parts that make them different.

Sketchbook Journal

Use one color to show unity in a drawing. Create the same drawing using several colors to show variety.
